

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

DAIRYMAN'S DIVISION OF LAND O'LAKES,
INC.,

Complainant,

vs.

SOUTHERN CALIFORNIA EDISON
COMPANY,

Defendant.

Case 01-10-034
(Filed October 31, 2001)

SCOPING MEMO AND RULING OF ASSIGNED COMMISSIONER

Summary

Pursuant to Rules 6(b)(3) and 6.3 of the Commission's Rules of Practice and Procedure, this ruling sets forth the category and schedule of the proceeding, scope of proceeding, and assigns a presiding officer following a Prehearing Conference (PHC) held on February 7, 2002, by Administrative Law Judge Galvin.

Background

Complainant, Dairyman's Division of Land O'Lakes, Inc. (Land O'Lakes), was assessed approximately \$1,516,000 in penalties by Southern California Edison Company (SCE) for Land O'Lakes failure to reduce its electricity use within 30 minutes after receipt of a Notice of Interruption by SCE. Land O'Lakes disputes approximately \$896,000 of the penalty on the grounds that SCE declared

periods of interruption without a required 30-minute minimum notice, and which followed each other as virtual back-to-back periods of interruption over a four-day period.

Category and Schedule of Proceeding

This ruling confirms that this case is adjudicatory. The PHC should be continued after discovery has been completed to determine stipulated facts, need for an evidentiary hearing, briefing schedule, and setting of a submittal date.

The schedule for this proceeding is as follows:

<u>Date</u>	<u>Event</u>
February 7, 2002 to March 8, 2002	Discovery
March 8, 2002	Continued PHC

My goal is to resolve this matter no later than October 31, 2002, the twelve-month timeframe set for resolution of adjudicatory proceedings.

Scope of Proceeding

The five issues identified by Land O'Lakes in its complaint has been reduced to two issues at the PHC. The scope of the proceeding addresses the following issues:

- Whether SCE's Schedule I-6 was properly applied to Dairyman's Division of Land O'Lakes?
- The extent to which Land O'Lakes should suffer monetary penalties for maintaining operations on the three days when successive, almost continuous "Periods of Interruption" were declared?

Assignment of Presiding Officer

Administrative Law Judge Galvin will be the presiding officer.
